ReNewGen raises a new generation of revival

ReNewGen

Revival New Generation

The hope of IM Ministry is to declare a new generation of revival, and through ReNewGen to see a new breed rise up and create a new wave to the world.

New Generation

Christian education that keeps worldview, values and calling through Triple School

New Breed

Global leaders raised through English education and a moving school around the world

New Wave

An online education system and offline community leading the 4th industrial revolution era

VISION

And this gospel of the kingdom will be preached in the whole world as a testimony to all nations, and then the end will come.

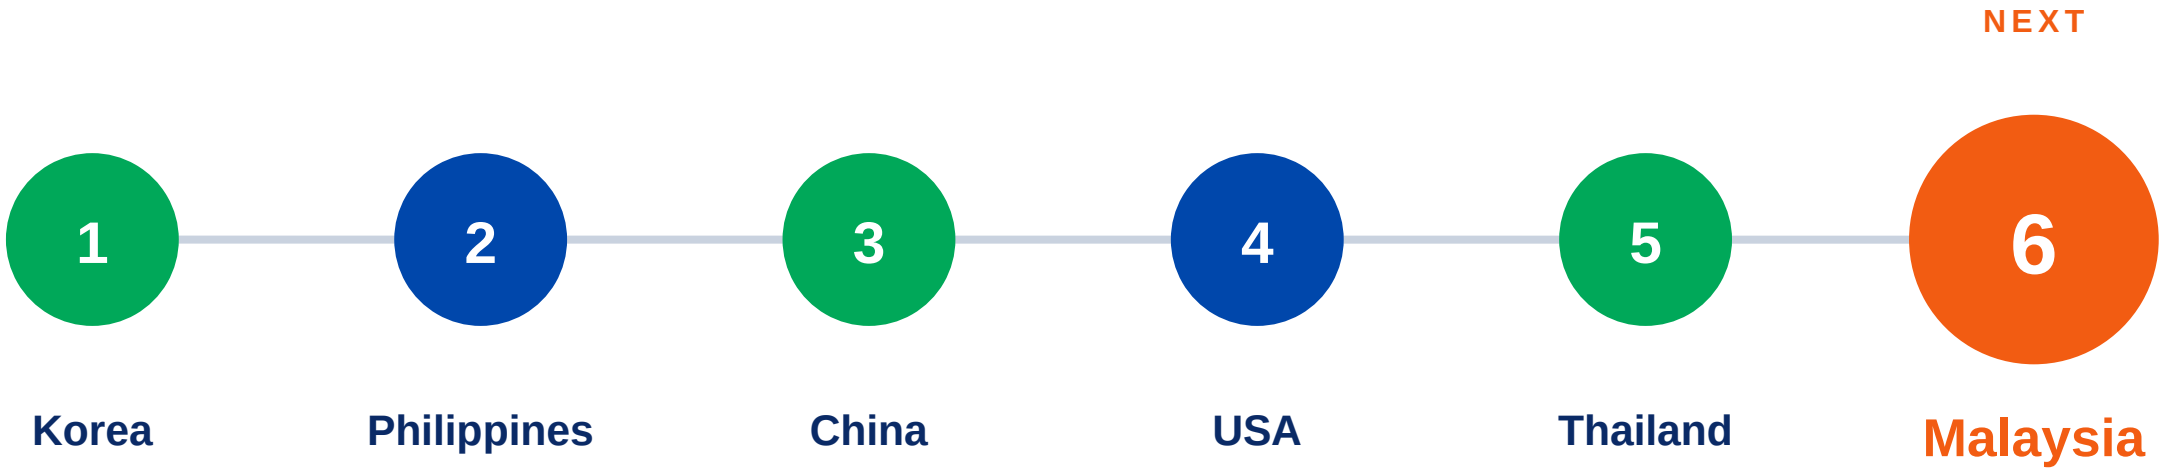

Matthew 24:14

IM MISSION

IM Ministry equips each person as a missionary to preach the gospel to all nations and complete the mission of God.

From Korea to a sixth nation: Malaysia

ReNewGen communities have been planted one nation at a time, together with local leaders.

6 ReNewGen Malaysia starts on the experience and support of five existing national communities. The nearby Philippine and Thai communities will train and run camps alongside us.

Why the next generation matters: restoring worship

SCRIPTURE

Remember today that your children were not the ones who saw and experienced the discipline of the Lord your God: his majesty, his mighty hand, his outstretched arm.

Deuteronomy 11:2 (passage 11:1-7)

TODAY

A generation that has not seen

Our next generation grows up in front of the world's screens, not knowing the works of God their parents saw

RENEWGEN'S ANSWER

Worship restored

Life is restored and the church revived through worship, the Word and worshipers filled with the Holy Spirit

Three ways the ReNewGen community raises the next generation

1 Camp

Where worship is restored

2 Education

Where the Word builds a worldview

3 Community

Where faith is lived together

Four IM core ministries shape each community

01 Education Ministry

Whole-person, whole-life, whole-direction education that raises missionaries with spirituality and ability

02 Camp Ministry

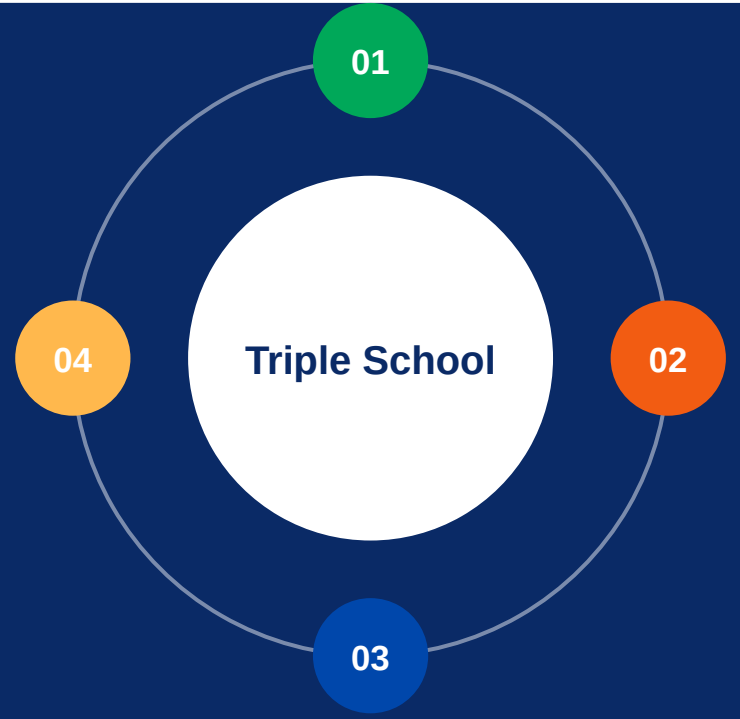

Preaching the gospel and holding regular camps to appoint leaders and the next generation

03 Local Church Ministry

Mission team and local church working together to raise up the next generation and the church

04 Mission Ministry

Living with a missionary's identity at home, in the career field and among the nations

Triple School at the center

All four ministries run on one training system: Triple School (Gospel, Disciple, Calling).

Triple School: Gospel, Disciple and Calling in three steps

1

Gospel School

Whole-person Christian · Christian perspective

Redemptive history · Kingdom of God · Covenant

2

Disciple School

Whole-life Christian · Christian values

Godly thought · Godly behavior · Godly life

3

Calling School

Whole-direction Christian · Christian influence

Vision and vocation · Evangelism and mission · Church and the end

THE GOAL

To the whole measure of the fullness of Christ

Holy Trinity System: three mechanisms, four areas

Three training mechanisms

1. **Mentoring**

   Guards and trains a person's entire life path

2. **Self-directed learning**

   Makes people study for their whole life

3. **Reading**

   Learns the values of authors of the Reformed faith

Three kinds of education raise Christian leaders

Formal, non-formal and informal education work together

Four training areas

3S — **Faith**

Gospel, Disciple and Calling School

3C — **Life**

Competence, Commitment, Communication

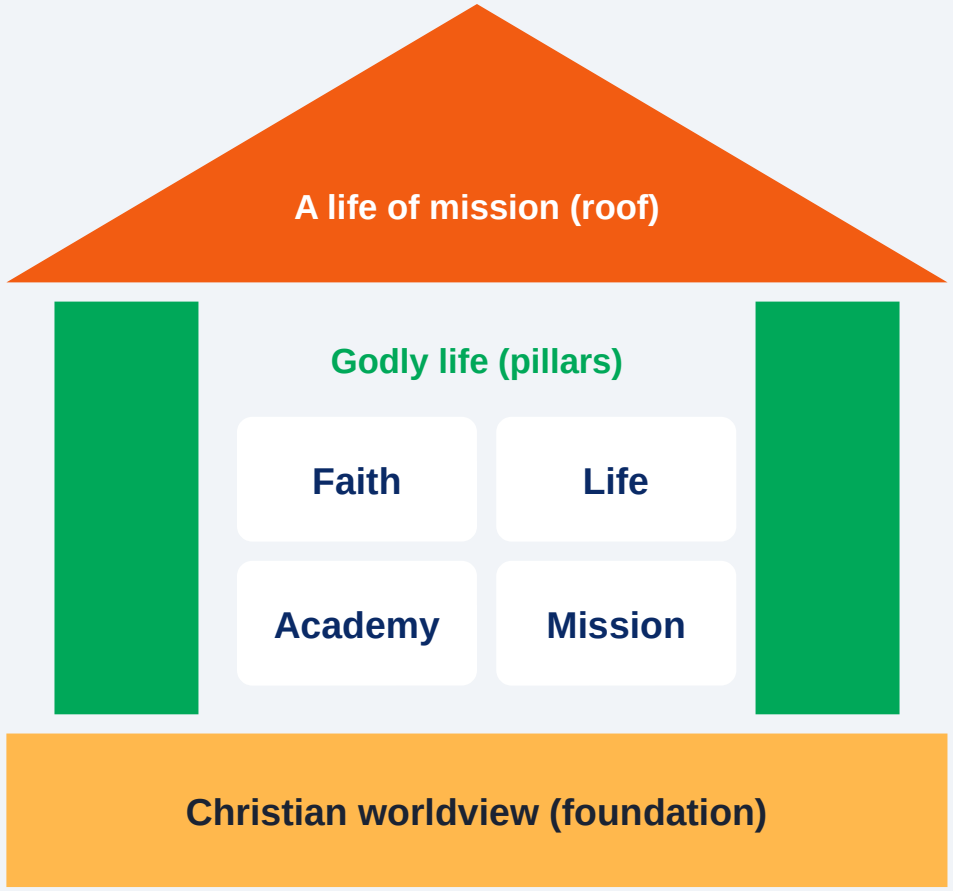

3A — **Academy**

IM, WCS, Korean-American Education Center

3D — **Mission**

Local church, career field, world mission

Faith community: a house built by Christian education

Online

An online education system: the same curriculum wherever you are

Offline

An offline community that worships, lives and trains together

Four things that grow in this house

1. Christian spirit
2. Christian worldview
3. Christian values
4. Christian leadership

Identity: every one of us is a missionary

Where I am is the mission field. ReNewGen equips each person as a missionary where they live.

1

Student missionary

The next generation living the gospel at school and in learning

2

Family missionary

Parents and children who make the home a co-worker for the gospel

3

Workplace missionary

Missionaries in education, business, medicine, culture and every career field

4

Missionary to the nations

Missionaries sent to peoples who have not yet heard the gospel

A true Christian

Whole-person, whole-life, whole-direction: mind, emotion and will, daily life, relationships and mission grow together

Camp ministry: from a one-day camp to a month

1 day

Govi Camp

Going Vision

A one-day camp where the next generation team visits local churches

1 day

Comvi Camp

Coming Vision

A one-day camp where local churches' next generation comes to the ReNewGen community

3 days

Next Gen Camp

Save the Next Generation

Restoration and revival for the next generation through worship and the Word

Learn Gospel, Discipleship and Calling; train in faith, life, academy and mission

Restoration

Training

Five IM principles every ReNewGen community keeps

1	**IM Faith**	We hold the Five Solas of the Reformation as our doctrinal standard: Sola Scriptura, Sola Gratia, Solus Christus, Sola Fide, Soli Deo Gloria.
2	**IM Purpose**	We build each person as a missionary for the completion of mission, preparing for the coming of the Lord in the last days.
3	**IM Spirit**	Our spirit is Triple School: Gospel, Disciple, Calling.
4	**IM Mission**	Keeping the truth and giving the truth: training whole-person, whole-life, whole-direction missionaries to evangelize the nations.
5	**IM Principles of Life**	Be equipped with spirituality, with personality and with ability, and share the gospel.
